

rugged carrying case for laptop computers

OtterBox's rugged carrying case for laptop computers with a diagonal screen size less than 15.4". Case provides innovative water, dust and drop protection and is a great solution for busy work environments and business travelers. Case incorporates easy-open yet secure-close latches and lock for added security. Computer is useable in case - simply pop open the lid and go to work. Unique design provides full access to drive and ports through the case. Can also be used to protect Slates, Tablets, Ultra Mobile PCs, and convertible Tablet PCs. Carrying handle and shoulder strap included.
